

Swimming in Competitive Meets

Once you have joined Central Aquatic, coaching staff will set targeted meets for each long course (Summer) and short course (Winter) season. Meets and events are selected to fit into a tailored coaching programme and coaches will attend these targeted meets to support swimmers. Entries to meet events should be selected by the coach in discussion with the swimmer. Please make sure you do not exclude the coach when entering swimmers in meets.

Entering Meets Online.

It is advised you purchase a mys swimresults account. You will get a one month free trial after which you will need to pay about \$13 for the year. My swim results is an integrated website that will enable you to monitor your child's swimming progress, and enter and check out the details of meets (ie programme of events etc).

All eligible events for your swimmer will be listed. As previously stated, please only enter events in consultation with your swimmer's coach.

As we enter our targeted meets as a club, there will be a requirement for a parent to be available on the day for timekeeping duties. These will be emailed out a few days prior to the meet.
