Examples

1. If your child withdraws from the competition after the roster is prepared please contact someone to complete the timekeeping on your behalf.

- 2.** If you have someone else take your child to the carnival you must ensure they are aware of the required timekeeping responsibilities and that they complete this on your behalf.
- 3.** If the swimmer/child drives themselves to the carnival you are required to organise someone to complete the time keeping responsibilities and ensure they do so.
