**Please note:** Time keeping duties are allocated by carnival managers according to the number of swimmers each club has entered into the carnival. Therefore every family is allocated a time period. Every effort is made by the CAQ committee members to allocate the roster as fairly as possible.

**\*If you are unable to perform your allocated duty you are required to arrange someone to do this for you.**

## Examples

- 1.** If your child withdraws from the competition after the roster is prepared please contact someone to complete the timekeeping on your behalf.
- 2.** If you have someone else take your child to the carnival you must ensure they are aware of the required timekeeping responsibilities and that they complete this on your behalf.
- 3.** If the swimmer/child drives themselves to the carnival you are required to organise someone to complete the time keeping responsibilities and ensure they do so.
